

# KEY TO PHOTOGRAPHS

(with caption material)

AT Photo 1

Jerry Skomer, founder of Alternative Technologies, empowered his employees so that they could purchase Alternative Technologies and operate as **a worker-owned cooperative**.

AT Photo 3

Left to right: Leslie Sanders, Leslie Pruitt, Jody Neumann, Leslie Carroll and Douglas Jackson.

These 5 are all now part owners at Alternative Technologies, a worker-owned cooperative.

AT Photo 2

Left to right: Leslie Carroll, Douglas Jackson, Jody Neumann and Deborah Farrell

These 4 are all now part owners at Alternative Technologies, a worker owned-cooperative.

AT Photo 4

Left to right: Jerry Skomer, Jeff Ruhland and (back) Jody Neumann.

Skomer, former owner of Alternative Technologies, talking with two members of the telecom department (new owners).

AT Photo 5

Some of the staff (now part-owners) of Alternative Technologies, a worker-owned cooperative.

AT Photo 7

Larry Hurtubise, cabling technician, at work.

AT Photo 6

Douglas Jackson, IT consultant, at work.

AT Photo 8

Jon St. Pierre and Jeff Ruhland, telecom technicians, at work.
